

CHAMBER SUMMER ADVERTISING

Pick the type of advertising you want to buy:

Online Advertising - \$159

A vertical business card style ad on the Chamber website. For one month your ad will appear in the top right corner of the Chamber's **six most visited web pages**. Your ad will 'alternate' with other advertisers (each time the page opens, a different advertiser will appear). This means your ad will get noticed since the look of the page changes each time it is opened. We can provide a hot link to your company's website.

Print Advertising - \$299

A quarter page ad in the next Chamber REVIEW magazine. When the magazine is delivered, your ad will be seen by 1,400 readers. Members tell us this is an extremely effective way to get their message across.

Print & Online Advertising - \$299

A quarter page ad in the next Chamber REVIEW magazine, plus a vertical business card style ad on the Chamber website for one month (with a hot link to your company's website.)
