

COMMITTEE PARTICIPATION

— Get Involved! —

We need YOUR help. Please review the mandates of our committees and task forces and see where you would like to contribute. Indicate your preferences (up to three) and *submit to the Chamber office.*

All our Committees meet monthly [no meetings in July & August] at 8:00 a.m. for approximately one hour. Many have subcommittees assigned to specific tasks so that work can be accomplished between committee meetings. Task Forces generally plan and implement specific Chamber events and may meet less frequently, depending on specific objectives.

To learn more about committees refer to the Committees page at the Chamber's website—www.burlingtonchamber.com. If you still have questions, email [Margaret@burlingtonchamber.com] or call Margaret at the Chamber Office [*905.639.0174 X7213*].
