Mr. Keith Hoey,
Burlington Chamber of Commerce,
414 Locust St. suite 201,
Burlington, Ont
L7S 1T7

Dear Mr. Hoey,

First, let me thank you and the Burlington Chamber of Commerce for taking the time to write me regarding the serious matter of the future of the planned corporate tax reductions.

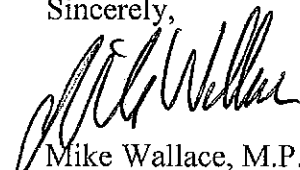

I can guarantee you that I and our Conservative government have no intention of reversing the planned corporate tax reductions. Any change to this plan would affectively be a \$ 6 billion tax increase on Canadian business. In my opinion, this would be a reckless and irresponsible tax hike that would impact our fragile economic recovery.

You have my full assurance that I will not support the reversal of these previously approved corporate tax reductions.

I appreciate any help the Burlington Chamber of Commerce can provide in making the public understand that the opposition parties' call for corporate tax hikes will kill jobs and stop our economic recovery in its tracks.

Thank you for giving me this opportunity to respond to this crucial issue.

Sincerely,

Mike Wallace, M.P.
